

Hello:

The 2006 Tenth Grade Career Day at Twin Valley High School is planned for Friday, April 13, 2007. This will involve all 10th grade students, including vo-tech students during Blocks 1, 2, and Flex period.

Students will hear a keynote speaker (auditorium) and 3 speakers that they have selected from the attached schedule. The speakers were carefully chosen and should provide the students with valuable information on career decision making. Speakers will present in a classroom setting with 10th grade teachers and other available staff as room monitors--this will also give you a chance to hear some of the speakers. **Please check "Speaker Schedule" attachment to see if you are listed as a monitor**--if so, you will be asked to take attendance. A memo with attendance cards will be placed in your mailboxes prior to the event. Also, **see the attached "Room Changes" spreadsheet to see if your class will be moving to another location.**

Thanks for all your help. If you have a free period, please stop by to either greet the speakers in the hospitality room (cafeteria) or to listen to their presentation. Any feedback is appreciated.

Thank you,
Mrs. Angela Morgan
Mrs. Gwen Werner
